- 03/15/2024 1 CIVIL CASE DOCKETED. Notice filed by Appellant Charmaine Prater in District Court No. 2-24-cv-00784.--[Edited 04/19/2024 by CJG] (CJG) [Entered: 03/15/2024 11:24 AM]
- 03/15/2024 2 RECORD available on District Court CM/ECF. (CJG) [Entered: 03/15/2024 11:26 AM]
- 03/15/2024 3 ORDER (Clerk) The district-court docket and possibly the entire record of that court's proceedings are sealed. That does not, however, mean that filings in this Court will automatically be sealed. Most documents filed in this Court are publicly accessible by default. If the parties believe their briefs, the appendix, or other documents must be filed under seal, any sealed filings must be accompanied by a motion to seal. In accordance with Third Circuit Local Appellate Rule 106.1(c)(2), the appellant's notice of appeal and the order on appeal were filed on this Court's docket under seal. They will remain under seal for 30 days from this order to give the parties an opportunity to file a motion asking this Court to seal those documents. If such a motion is filed, they will remain sealed until further order of this Court. Otherwise, they will be unsealed by the Clerk without further notice. In accordance with the Court's November 4, 2008, Notice to the Bar, the parties are advised that dockets in the court of appeals are not sealed, as the text of the docket contains procedural information only. Although the appellant litigated under a pseudonym during the district-court proceedings, it does not appear she ever requested or was granted permission to conceal her name. If the appellant wishes to continue using a pseudonym on appeal, she must file in this Court a motion requesting such relief within 30 days of this order. If no such motion is timely filed, the caption for this appeal may be amended without further notice to include the appellant's full name. While the appellant is proceeding pseudonymously, the parties' filings and CM/ECF docket entries should not identify the appellant by name. If the parties need to file documents containing the appellant's name or other personally identifiable information, they should consider seeking the Court's permission to file those documents under seal. [-See Order for Full Text.] (CJG) [Entered: 03/15/2024 11:29 AM]
- 03/15/2024 4 **NOTICE** Pursuant to 3d Cir.
